Women in the Outdoors

Is dedicated to providing interactive educational outdoor opportunities for women ages 12 and older. Local chapters/organizations throughout the nation conduct outdoor learning events featuring hands-on activities.

The National Wild Turkey Federation's (NWTF) goal is to teach the importance of responsible wildlife management, increase participation in outdoor-related opportunities and to preserve the hunting tradition.

The Women in the Outdoors™ Program will meet its goal by introducing more women to outdoor activities, training women as outdoor educators and providing a network for men and women with similar outdoor interests.

Your paid registration includes:

- Choice of 4 WITO Courses
- Use of all equipment
- One-Year subscription to the Women in the Outdoors magazine
- Lunch

Hillsdale County Conservation Club

Presents Their 2nd Annual
Women in the Outdoors
Event!

Saturday,
April 19, 2008

Class Listings

Archery: Archery is an age-old sport growing in popularity for many as their choice of hunting and recreational activity. Teaching participants how to aim at targets 10-15 yards away. The course will also address archery equipment essential to becoming more involved in the sport.

Muzzleloader: Travel back in time and learn information on black powder safety and equipment. Then they will teach you how to load, shoot, and clean.

Dutch Oven Cooking: Participants will be involved in preparing and putting together a meal for our lunch for the day.

Trapshooting: Participants will learn the proper way to hold a gun. Learn the proper stance needed too successfully shoot clay targets.

Geocaching: Using a GPS you will be given clues/coordinates in order to complete the task of finding treasurers. Enjoy a scenic walk through the woods while learning how to read a GPS.

Fly Tying: Each participant will learn the proper steps needed to create their own personalized fly.

Fly Casting/ Bait Casting: This class will inform you on proper gear and technique of casting a rod or throwing a fly.

Digital Photography: Learn the basics of photography including camera functions, lighting, proper exposure and composition. You will learn how to import images to a computer and what settings to use for making prints. **You will need your own camera; any kind of camera will be fine.**

Massage: Learn how to give and receive a hand, foot and shoulder/neck message.

Wreath Making: In this class, you will learn how to put together a pinecone wreath that will be used for any holiday.

Rug Making: Learn how to make throw rugs using old clothes. You will need to bring ripped jeans with you.

Soap Making or Hand Lotion: In this class, you will learn how to make homemade soap and hand lotions.

First Aid/ Survival: Learn the proper techniques needed to apply first aid in the woods or how to survive when lost.

Jewelry Making: Learn how to use material from different types of sports to make beautiful pieces of jewelry.

Dehydration of Food: Learn how to use a dehydrator to make a variety of food from jerky to dried fruit. You will be given recipes and samples.

Cut Flower Arranging: This class will help with arranging flowers from the wild or from the store. You will be able to make your own arrangement to take home.

**Pre-registration is required;
Registrations will be accepted after
the deadline if space permits**

A confirmation letter with directions will be mailed to you upon receipt of your registration form & workshop fee. Please plan to arrive at the club between 7:30 and 7:45 a.m. for check-in. The event will be over at approximately 5:00 p.m. The cancellation deadline is April 10. If you cancel after the deadline, you will be responsible for the full program fee. You may send a substitute if you cannot attend.

**Mail the completed form along with
registration fee to:**
